

FIRST ANNOUNCEMENT

CHAMBER OF COMMERCE AND INDUSTRY VÂLCEA HYDRAULICS AND PNEUMATICS RESEARCH INSTITUTE BUCHAREST

Organize

HERVEX 2021

26th edition

- When** **November 3-5, 2021**
- Format / Venue** **Online** (3rd and 5th of November)
and in-person (1-day Workshop | 4th of November | the headquarters of INOE 2000-IHP, Bucharest, Romania)
- Profile** **International Conference on Hydraulics, Pneumatics, Sealing Elements, Precision Mechanics, Tools, Specific Electronic Equipment & Mechatronics**
- Participants** Manufacturers, dealers, users, researchers and designers of equipment and installations in the area of hydraulics, pneumatics and related fields, from Romania and abroad
- Topics** **The main topics of the online conference**
1. Generic hydraulic drives, pneumatic drives and centralized lubrication systems
 2. Servo Hydraulics and Digital Hydraulics
 3. Elements of tribology, maintenance and technology for Hydraulics
 4. Hydraulic and pneumatic drives in modern economy, environmental protection and sustainable development
- Topics of the in-person workshop** (4th of November)
and the online panels (3rd and 5th of November)
- > Intelligent Hydraulics
 - > Hydraulics and Pneumatics in production of green energy
 - > Fluid Power and the circular economy, the green economy, and the blue economy
 - > Methods for reducing the consumption of raw materials and supplies in the field of Fluid Power
- Deadlines** We kindly ask you to meet the **deadlines** listed below:
- October 8, 2021** – Submission of paper abstracts, to INOE 2000 – IHP
→ e-mail: hervex@fluidas.ro
- October 20, 2021** - Submission of online registration forms
→ <http://hervex.ro/registration>
- November 15, 2021** – Submission of camera-ready papers, to INOE 2000 – IHP
→ e-mail: hervex@fluidas.ro
- Additional information** Hydraulics and Pneumatics Research Institute INOE 2000 – IHP in Bucharest
Phone: +4021/3363991, Fax: +4021/3373040, e-mail: hervex@fluidas.ro/fluidas@fluidas.ro
